Examples

**Edit: New service offered XXX**

1. Edit page and go to properties

2. Select template to apply
Edit: New service offered XXX

3. Content from template is added on top

```html
// "Action Design" name (employee 1, employee 2, ...)

action title: include employee names on it (At the end, after a dash). Avoid us the page title, since they would interfere later with other parts of the website.
