This page needs review

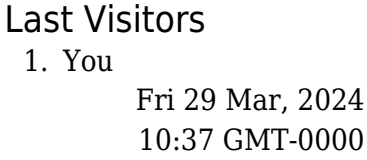

Last Visitors Module

This module displays a list of the last visitors who have logged in. It also provides a link the the user's information page.

Usage

This module can be assigned from the Module Admin page. It will be listed in the **Assign new module** area.

The assigned module looks like this:

Parameters

Displays information about the specified number of users in decreasing order of last login time.

Go to the source code

Parameters	Accepted Values	Description	Default	Since
`nodate`		If set to "y", it will hide date.		
`showavatars`		If set to "y", show user profile pictures. Default: "n"		
`maxlen`	int	Maximum number of characters in user names allowed before truncating.
