

Module user_tasks

This module displays a list of the [tasks](#) in a user's task list along with a percentage completed. Tasks can be added, deleted, or marked finished. See the example below.

The screenshot shows a list of five tasks:

- Install Tikiwiki (%)
- Configure PHP (%)
- Configure MySQL (20%)
- Configure Apache (50%)
- Install OS on server (90%)

Below the list are two buttons: "done" and "del".

Parameters

Lightweight interface to user tasks, enabling to view them concisely and do some manipulations

[Go to the source code](#)

Preferences required: feature_tasks

Parameters

no parameters
