

User Action log

A user can view a report of all his/her actions, provided an admin has configured the [Action log](#) feature and granted users the Tiki permission to do so. You can click on the action log icon at "MyTiki" section.

There you will see the interface to select which category and time frame you want for your action log report or graph.

The 'Action Log' interface with the 'Filter' tab selected. It contains date pickers for start and end dates, a category dropdown, and radio buttons for units and time frames. Below the filters are buttons for 'Report' and 'Graph', and links for 'List' and 'Statistic'.

Statistic

Besides, you can select which features and actions you want to be added into the report:

The 'Action Log' interface with the 'Setting' tab selected. It displays a table with columns for 'viewed', 'action', and 'type', allowing users to select which actions are included in the report.

Action Log

Report **Setting**

Setting

| viewed | action | type |
|-------------------------------------|----------------------|-----------|
| <input checked="" type="checkbox"/> | Created | wiki page |
| <input checked="" type="checkbox"/> | Removed | wiki page |
| <input checked="" type="checkbox"/> | Removed last version | wiki page |
| <input checked="" type="checkbox"/> | Removed version | wiki page |
| <input checked="" type="checkbox"/> | Renamed | wiki page |
| <input type="checkbox"/> | Rollback | wiki page |
| <input checked="" type="checkbox"/> | Updated | wiki page |
| <input type="checkbox"/> | Viewed | wiki page |
| <input type="checkbox"/> | Created | sheet |
| <input type="checkbox"/> | Removed | sheet |

Finally, this will produce a detailed report of that user's actions in that tiki site for that time frame.
