The Tiki documentation is a constant work in progress — you can help create and improve this site.

The Tiki Documentation Suite consists of:
The Tiki Installation Guide contains information on installing and upgrading Tiki, including tips and hints for specific platforms. Be sure to read the Release Notes too!
The Tiki Reference Guide includes information on each administration page, tab, and option. These pages contain reference links to detailed procedures and additional information. Links from the Tiki help system link to these pages. Download
The Tiki User Guide includes information for users and visitors of Tiki-powered websites. It includes information on the most common tasks, organized by Tiki Feature.
