Contact Us page Feature

Tiki offers a contact us feature. The Contact Us page gives your site or corporation's contact information.

You can see it in action here:
http://security.tiki.org/tiki-contact.php

To enable the Contact Us form, simply do the following:

- Go to **Admin > Community**
  - Check **User Contacts**
- Go to **Admin > General > Contact**
  - Check **Contact us**
  - Check **Allow anonymous visitors to use the “Contact Us” feature**
  - In **Contact user**, enter the name of the user who will receive the message (or leave it as its default of admin)
