**Must Reads**

New feature added in Tiki 14.0.

This is a stub. In the meantime, you can see [https://dev.tiki.org/Must+Reads+Feature](https://dev.tiki.org/Must+Reads+Feature)

This feature is based on Trackers, and it creates a Tracker called "Must Read".

Click to expand

It has a field to indicate the relation with a Wiki Page:

Click to expand

And another field for User Selector, with Auto-assign selecting "Creator":

Click to expand
At the Control Panels, Community you have to enable the "Must Read" feature. You can indicate the name of the Tiki tracker that will be holding the information and fields for the Must Reads feature (just below the checkbox to enable the feature):

HomePage
Welcome to the Tiki wiki.

We created this dedicated community to facilitate the ongoing success of our language training programs.  By fostering better online collaboration, communication and knowledge sharing, we believe that we can create an environment where everyone feels at ease and can get the most out of their learning experience.  Learning English and French is the common purpose that ties us all together. And where else but here?  Welcoming everyone success.
