The tutorials are one or two documents with a lot of graphics to guide you in simple tiki operations. They are not a replacement of the Documentation but will help you get started quickly, especially if you are a user and not an administrator.

Print them out as individual sheets, they are great for easy reference.

Pages linking to tutorial.

- Goals
- Pretty Tracker
- Wiki-Syntax Images
- Interface translation
- Tutorial - HowTo Create Menus
- Traduciendo la interfaz de Tiki
- Document Workflow
- Insérer des images
