Quizzes

See also: Trackers, Surveys and Polls. What is the difference between them?

- **Quiz**: Many questions. This is a test and you get points for getting the answer right.
- **Surveys**: Many questions. Can be open-ended or radio buttons, etc. We want to know what you think.
- **Polls**: One question radio buttons. We want to know what you think.
- **Trackers**: A powerful general purpose form (and database) building tool, with which you can build surveys.

The Quizzes feature allows you to build sets of questions for contests, e-learning, or just plain fun. Quizzes have several available controls:

- Points per question
- Points per answer
- Passing Grade
- Time Limits
- Repeat the Quiz
- Results Storage and Analysis

Since Tiki 9, the Quizzes feature has been tagged as 'experimental'. To access it on the Features page you must select "Experimental" in your "Preference Filters".
