Posting a Comment

If you are a registered user, you should first login before posting comments, this will allow the posting to be attributed to you.

Both title and comment body are required.

Controlling the display of comments

You can see here the comments panel, you can enter a new comment, set which comments you want displayed and see the comments. To get started enter some comment.

The toolbar at the top can be used to configure how many comments to display per page, how comments will be sorted (Score/Date), the minimum number of points for a comment to be displayed, the minimum score for a comment to be displayed (threshold) and a find box to filter comments containing some word. The top link can be used to get back to first page of comments from any page of comments. If you reply to a comment replies will be displayed nested to the comment as in the following screen:
