

Forums are one of the most frequently used [features](#) in a Tiki website set up for collaborative use. A forum can be either self-contained, or can be the discussion venue for wiki pages (each page can have an associated forum thread).

### Overview

This page and the linked-to subpages describe how to configure and use the Forums feature.

### To access

Click the **Forums** icon  on the [Admin Panel](#) or

Access <http://example.org/tiki-admin.php?page=forums>
