To Access

From the [Look and Feel Admin](#) page, click the **Pagination Links** tab.

Option	Description	Default
Use relative (next / previous) pagination links		Enabled
Use direct pagination links		Enabled
Maximum number of links around the current item		2 links
Maximum number of links after the first or before the last item		0 links
Display 'First' and 'Last' links	if set, will display 'first' and 'last' links on pages	Enabled
Display "fast-forward" links	Display "fast-forward" links (to advance 10 percent of the total number of pages)	Enabled
Hide pagination when there is only one page	Don't display pagination on single pages.	Enabled
Use Icons		Enabled
Maximum users in drop-down lists	Use jQuery autocomplete text input to prevent out-of-memory errors and performance issues when the user list is very large.	50 users
Maximum number of records in listings		25 records
Object selector threshold	Number of records after which the object selectors will request searching instead of selecting from a list.	250 records
Object selector search field	Field or (comma separated) fields to search when filtering in an object selector. e.g. "content" (default "title")	Title
Number of comments per page		25
