

Plugin Gauge

This [wiki plugin](#) displays a horizontal bar gauge of a value compared to a maximum.

Parameters

Introduced in Tiki 1. Required parameters are in **boxed**.

[Go to the source code](#)

Preferences required: `wikiplugin_gauge`

Parameters	Accepted Values	Description	Default	Since
(body of plugin)		description		
value	float	Current value to be represented by the gauge		1
perc	(blank) 1 (blank)	Set to true (Yes) to display a percentage of the maximum.		1
showvalue	(blank) 1 (blank)	Set to %1 (No) to hide the numeric value (shown by default).	1	3.0
height	digits	Bar height in pixels.	14	1
label	text	Label displayed on the left side of the gauge.		1
labelsize	digits	Label width, in pixels.	50	1
max	digits	Maximum possible value. Default: 100	100	1
size	digits	Bar width in pixels.	150	1
bgcolor	Valid CSS color name or hex code	Background color of the gauge. Use HTML color codes or names.	#0000FF	1
color	Valid CSS color name or hex code	Main color of the gauge. Use HTML color codes or names.	#FF0000	1

Example

This code:

```
{GAUGE(value="15000" max="16443" label="Satisfied users" perc="true" labelsize="250" height="20" color="green" bgcolor="#EEEEEE")}__User satisfaction survey results__ {GAUGE}
```

Would produce:

Satisfied users

User satisfaction survey results

91.22%

The screenshot shows a web application interface for BigBlueButton. The top navigation bar includes 'Fonctionnalités', 'Requiemnts', 'Télécharger', 'Installer', 'Backup', 'Mise à jour', and 'Aide'. The main content area is divided into several sections: 'Liens vedettes' with links to Tiki Video Tutorials, Tiki for Smarties, and Tiki Essentials; 'Lettre de nouvelles Tiki' with a 'Delivered fresh to your email' notification; and a 'Contribute to Tiki. Make a donation!' button. A central 'Example' section displays a gauge chart showing 'Satisfied users' at 91.22%. The gauge is a green bar with the percentage value next to it. Below the gauge, there is a code editor showing the HTML code for the gauge:

```
[Gauge {value="91.22%", name="16443", label="Satisfied users", perc="true", labelize="35%", height="28", color="green", bgcolor="EEEEEE"}]_User: satisfaction survey results_[Gauge]
```

 The interface also includes a table with columns for 'hex code' and 'nom de couleur', and a 'Plugin Group' dropdown menu. At the bottom, there are buttons for 'Éditer', 'Recommencer', 'Historique', 'Source', 'Commentaires', 'Fichiers', and 'Plus', along with a file upload section.
