

Plugin Group Expiry

Introduced in [Tiki7](#)

This [wiki plugin](#) shows the expiry date of the group membership of the current user for a specified group. If the user is not in the group it says so. If the group never expires, it says so also.

Parameters

Show the expiration date of a group the user belongs to

Introduced in Tiki 7. Required parameters are in **bold**.

[Go to the source code](#)

Preferences required: `wikiplugin_groupexpiry`

Parameters	Accepted Values	Description	Default	Since
group	groupname	The name of an existing group on the site		7.0

Example

This code:

```
{groupexpiry group="Registered"}
```

Would produce on this site:

not in group
