The list of the so called "sections" in Tiki, as of the parameter in the module interface requests, are literally these ones (written as such: singular, plural, underscores, etc):

- blogs
- calendar
- categories
- cms *(for "articles")*
- contacts
- directory
- faqs
- featured_links
- file_galleries
- forums
- galleries *(for "image galleries")*
- gmaps
- html_pages
- maps
- mytiki
- newsletters
- poll
- quizzes
- surveys
- trackers
- user_messages
- webmail
- wiki page

Alias names for this page:
