

There have been many many improvements to
months:

and to this doc.tw.o site in the last

1. doc.tw.o site is using the new Tiki 3.0 development branch, so that many new features can be seen and used already for production while documenting Tiki usage
2. A new page for end users describing some of the new improvements in !
3. A new for this doc.tw.o site, while a is underway
4. A new 35' Video showing an upgrade from 2.0 to 3.0, while configuring some of the very new features in Tiki3:

So that.... What are you waiting to contribute with a little of your time and skills, whatever they are, to make this software and Documentation even better! ☐

Welcome ...
