

Module user_tasks

This module displays a list of the tasks in a user's task list along with a percentage completed. Tasks can be added, deleted, or marked finished. See the example below.

A screenshot of a user task list interface. It shows a list of five tasks with checkboxes and completion percentages. At the top right is an 'add' button. At the bottom are 'done' and 'del' buttons.

| Task | Completion (%) |
|----------------------------|----------------|
| Install Tikiwiki (%) | 0% |
| Configure PHP (%) | 0% |
| Configure MySQL (20%) | 20% |
| Configure Apache (50%) | 50% |
| Install OS on server (90%) | 90% |

done del

Parameters

Lightweight interface to user tasks, enabling to view them concisely and do some manipulations

[Go to the source code](#)

Preferences required: feature_tasks

Parameters

no parameters
