

Save and Comment

New to Tiki19

This feature can be enabled per tracker and permits to add a comment when saving an edit for a tracker item. Added as a new option to the Create / Edit Tracker properties dialog, dependent on *Allow comments* checkbox there.

Features

- ☐ Allow ratings (deprecated, use rating field)
- 1. ☒ Allow comments
- ☐ Show comments in listing
- ☐ Display last comment author and date
- 2. ☒ Save and Comment
- ☐ Allow attachments (deprecated, use files field)
