Live Support Details
On the live support admin screen (" tiki-live_support_admin.php "), there are some other options. One of them is "Generate HTML" (" tiki-live_support_admin.php?show_html "), which leads you a page where you can copy some html code to paste it in any html page you wish to produce the live support icon:
×
Moreover, there is the option " Transcripts ", which can be filtered by operator. In this example, we filtered the transcripts for operator "admin" (tiki-live_support_transcripts.php?filter_operator=admin):
×
If you click on the number at the column " msgs ", you can view the messages of that support request process (3, in this example):
×
