

Module assistant

This is a simple welcome module to help new admins. It contains links to log in, to this site and to the community TikiWiki site.

Parameters

This module has no additional parameters beyond the parameters that apply to all modules, which are documented at [Index of Modules](#). Display an assistant to guide new Tiki admins.

[Go to the source code](#)

Parameters

no parameters

Example

This code:

```
{MODULE(module=assistant, decoration=y) /}
```

Produces on this site:

Tiki Assistant

Thank you for installing Tiki!

 To begin configuring Tiki, please [login](#) as admin.

 To learn more, visit: <http://tiki.org>.
