

Must Reads

New feature added in Tiki 14.0.

This is a stub. In the meantime, you can see <https://dev.tiki.org/Must+Reads+Feature>

This feature is based on Trackers, and it creates a Tracker called "Must Read".

The screenshot shows a web browser window. At the top, there is a toolbar with various icons for editing and navigation. Below the toolbar, the page title is "Edit: Minutes20Nov". Underneath the title, there are three tabs: "Edit page", "Categories", and "Properties". The "Edit page" tab is selected. Below the tabs, the text "Edit page" is displayed in a large font. At the bottom of the browser window, there is a text area with the following content:
