Features under MyTiki section can be set at "**Admin > Community**", under "**User features**" section.

The screenshot shows the 'User features' settings page in the MyTiki Admin interface. At the top, there are three tabs: 'User features' (selected), 'General Settings', and 'Friendship Network'. The page contains two columns of settings, each with a checkbox and a label, followed by a green checkmark indicating the current status. At the bottom right, there is a blue button labeled 'Change preferences'.
