<b>label</b>	text	Label displayed on the left side of the gauge.		1
<b>labelsize</b>	digits	Label width, in pixels.	50	1
<b>max</b>	digits	Maximum possible value. Default: 100	100	1
<b>size</b>	digits	Bar width in pixels.	150	1
<b>bgcolor</b>		Background color of the gauge. Use HTML color codes or names.	<code>#0000FF</code>	1
<b>color</b>		Main color of the gauge. Use HTML color codes or names.	<code>#FF0000</code>	1

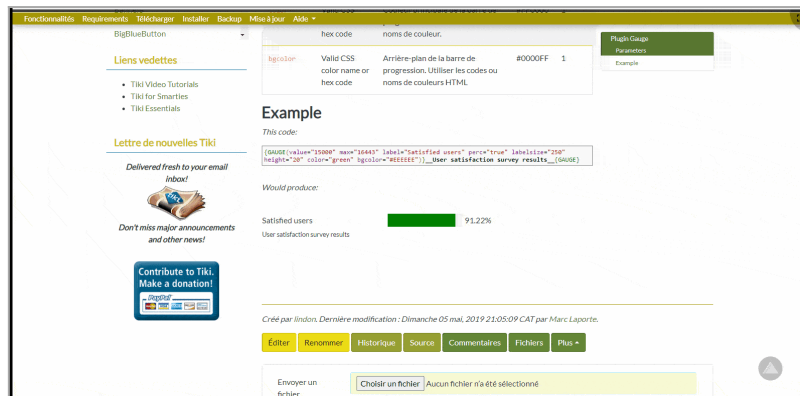

# Example

This code:

```
{GAUGE(value="15000" max="16443" label="Satisfied users" perc="true" labelsize="250" height="20" color="green" bgcolor="#EEEEEE")}__User satisfaction survey results__ {GAUGE}
```

Would produce:

Satisfied users  91.22%  
User satisfaction survey results
