Tiki stats

Data are displayed accordingly to your feature usage. IE: If you don't use a feature you won't see anything for it.

It also include a "Referer Stats" option to track referer to your website.

Tiki stats admin panel

The screenshot shows the 'Statistics' admin panel. At the top, it says 'Statistics' with a help icon. Below that, it says 'Configure statistics reporting for your site usage'. There are three tabs: 'Tiki Statistics', 'Google Analytics', and 'Piwik Analytics'. The 'Tiki Statistics' tab is selected. There is an 'Apply' button in the top right corner. Below the tabs, there is a 'No Tabs' button. Under the 'Tiki Statistics' section, there are three options: 'Stats' with a checkbox, a question mark icon, and a play button icon; 'Referer Stats' with a checkbox, a question mark icon, and a play button icon; and 'Count admin pageviews' with a checkbox and an information icon. There is an 'Apply' button at the bottom right of the form.
