

# Guide de référence Tiki

Ce **Guide de Référence Tiki** inclut des informations sur chaque page d'administration Tiki et onglets. Les liens du système d'aide Tiki conduisent directement à ces pages.

Dans ce guide, vous apprendrez à accéder à chacun des [Panneaux d'Administration](#), à quoi sert chacun d'eux, et les informations sur les options incluses dans chaque page/onglet. Il y a également des liens vers des procédures spécifiques "Comment faire" dans les guides Utilisateur et Administrateur.
