## My 1st TikiWiki site - the Permaculture Community body of knowledge (pcbok.org)

- Production Site http://www.pcbok.org/tiki-index raw.php
- Testing/Sandbox Site http://www.pcbok.org/testing/feb09/tiki-view articles.php

This is a collaboration space for a moderate global environment movement. We are VERY fragmented at the moment so I hope to bring us all together into a single place that keeps people around because it has everything we need.
